Comments	N.b., place individual member comments in this row.	Unfortunately my role of ui implementation was reliant on the ui design being completed so I didn't get to contribute as much beyond the team meetings as I would've liked. However, now that it's done I hope to contribute many more hours	Did a lot of the heavy lifting and definitely the most work with the ui. I'm currently his roommate and I constantly saw him working on it.	worked on the demo the most. This week I had to sort out an external conflict between us and neither of us let it impact the group. We handled it privately and didn't let it impact our group's cohesion. Luckily we have sorted everything out and are ready to communicate more openly.	Great at getting people together and very knowledgable with trello and github	Very good at working constantly until his part is done.	I'm not 100% certain how much he contributed since I know him the least, but so far he is very easy to work with and I trust him to do his part
